Roxbury Free Library Outreach Program Policy

Effective May 25, 1994, it will be the policy of the Roxbury Free Library to provide a program through which community members confined to their homes will be able to borrow library books.

A person who is unable, physically, to travel to the library may borrow books by calling the librarian to request specific book(s). A volunteer will deliver the book(s) for up to 30 days. At the end of that 30 day period a volunteer will travel to the borrower's home to pick up the book(s). If the patron wishes to return the book(s) prior to the expiration of the 30 day period he or she must call to request that a volunteer pick up the book(s).
